

Join the EdtechWomen Breakfast Club for women transforming SA education through technology.

Have breakfast with other education change makers, network, share ideas and be inspired.

**NEW DATE**

## WHY DO WE NEED WOMEN IN LEADERSHIP?

### ANU SING

Executive: Business Intelligence Competency Centre (Data Analytics), MTN Group

#### MEET OUR KEYNOTE SPEAKER

Anu is currently Executive: Business Intelligence Competency Centre (Data Analytics) for MTN Group. She is leading the implementation of the data strategy and big data platform for the business.

She previously looked after the infrastructure (towers, fibre and spectrum) at MTN.

Anu has more than 14 years of investment banking experience and worked both in Johannesburg and London.

She is a qualified and experienced mechanical engineer, has an MBA from the Wits Business School and completed the Advanced Management Programme at Insead Business School in France.

Anu is also a member of the Board of Directors of the Development Bank of South Africa and Exxaro Resources.

She is passionate about promoting socio-economic development in Africa and the use of technology to achieve this.
