

TRANSFORMING OUR SCHOOLS THROUGH SOCIAL COHESION

CALL FOR PAPERS

Conference hosted by St Benedict's College

Thursday, 15 March 2018 – Friday, 16 March 2018

Social cohesion, and the motivation to create inclusive, transformed and diverse schools, maps the landscape of our current context. There is a great sense of commitment to uphold the values of oneness through engaging in social contracts that foster a diverse and inclusive culture that provides equal opportunities for all.

St Benedict's College, Bedfordview, Johannesburg, invites submissions in all areas of transformation and particularly encourage those related to the conference theme "Transforming our schools through social cohesion". The purpose of this conference is to provide an opportunity for like-minded people to share ideas and strategies, current programmes and initiatives run by your institution that will stimulate new thinking in this area.

Submissions closes on Friday, 26 January 2018. Submissions can be sent to stoltzj@stbenedicts.co.za.

For more information, please contact oersond@stbenedicts.co.za or call Dr Oerson on 011 455 1906.
