ABOUT THE WORKSHOP

Soetlief Profiling aims to assist the teacher in identifying and understanding the child's experience. The workshop will cover responses and intervention to a child's emotional and social experience, ideas and practical ways of addressing negative experiences in order to change negative behaviour.

The workshop is ideal for teachers working with Pre-Primary or Junior Primary children.

ABOUT CYNTHIA

Amongst her many qualifications Cynthia has an honours degree in Psychology and is the founder and author of the Soetlief programme and the Founding Director of PEA Genius Ltd. She has a rich experience working with people and their emotions through play therapy and emotional counselling. Cynthia has a wealth of knowledge, spanning a period of 20 years.
