

Flourishing in the Present

15 September 2020

Following the success of our first Positive Psychology Conference held at St Andrew's College last year, we are pleased to present an online webinar on 15 September 2020 from 08:00 to 13:00.

More than ever we have seen the need for the application of Positive Psychology in schools as we all grapple with the constant challenges presented to teachers and the children we engage with.

We shall also use this opportunity to constitute the Positive Education Schools' Association of South Africa (PESASA)

Our online speakers include:

Simon Murray – Global Chair of the International Positive Education Network

Craig Carolan – Founder: Intrinsic Education

Sir Antony Seldon – Author, Past Master of Wellington College, UK

Anne Johnston – Head of Ravenswood School for Girls, Sydney and Deputy Head and founding board member of PESA (Positive Education Schools Association Australia)
